

## **BCEA Course Descriptions**

### **ARSP111 Painting & Drawing in Barcelona (English)**

Location: BCEA

Credits: 3

Schedule: TBD

Instructor: Angel González, Professional Artist

Course/Lab Fee: Students will be required to purchase materials & supplies and visit galleries

Prerequisite: none

#### **Course Description**

This course will provide students a sound understanding of the fundamentals of drawing and a first impression of the mysterious world of painting – learning how one can manipulate color in order to build, harmonize and express with paint as a medium. Site visits to galleries and local artists studios will provide students with a survey of art in Barcelona and serve to inspire students to explore their own creativity expressed through drawing and painting. The course will be mainly practical (studio work) with the additional help of short lectures and stimulating examples, including slides and visits to local galleries and museums.

#### **Activities**

Visits to Museums, Art Galleries and Studios in Barcelona. Art Show of Students Work.
