

Beginning Spanish Language

Universidad de Belgrano

90 contact hours / 6 semester credits

Objectives and Teaching Method:

This course's main objective is to introduce students to the Spanish language so that they may better take advantage of their academic and social activities while they are in Argentina. Students will study vocabulary, grammar and different learning activities so that students can perform as well as possible in communicative situations.

Prerequisite: Students must be assigned to this level after taking the Spanish placement exam at the beginning of the semester.
