## **THE SEVEN WONDERS OF SPAIN HISTORY OF SPANISH ARCHITECTURE**

*Number of sessions: 30*

*Length of each session: 1,5 h*

*Total length of the module: 45 hours*

### **INTRODUCTION TO THE COURSE**

This programme has been designed to teach students about the cultural diversity and richness of the Spanish Heritage. They will study the most representative buildings of each period that have been included in the Unesco's World Heritage List for having outstanding universal value. Along the course, students will be also able to recognize the most important masterpieces of the Spanish architecture, know the reasons that account for their unanimous positive appraisal, and analyse their artistic characteristics and their social and historical implications. The methods of instruction will include lectures and field visits.
